4K Starlight HDCVI IR Bullet Camera

Overview

Experience 4K video surveillance with the simplicity of reusing existing coaxial infrastructure. The 4K HDCVI camera adopts a powerful ISP and advanced 1/2" image sensor, which provides superior high quality images. It also supports Starlight and 120dB true WDR for a clear image in poor lighting conditions. In addition, the camera features broad cast quality audio to provide enhanced supplementary evidence collection. Ultra--high definition and a complete set of features makes the 4K HDCVI camera an ideal choice for mid to large-size businesses and projects where both highly reliable surveillance and construction flexibility are demanded

Features:
- Starlight, 120dB True WDR, 3DNR
- Max. 4K resolution
- HD/SD switchable
- Audio in interface, built-in mic
- 3.6mm fixed lens
- Max. IR length 40m, Smart IR
- IP67, DC12V±30%

5MP HDCVI Bullet with Motorised Lens Camera

Overview:

Experience superior 5MP video and the simplicity of reusing existing coaxial infrastructure with HDCVI. The Lite series 5MP HDCVI camera features a compact design and offers a high quality image with rich details at a friendly price. It offers various vari-focal/fixed lens models with a multi-language OSD and HD/SD switchable output. Its structural flexibility and high cost-performance makes the camera an ideal choice for SMB solutions.

Features:
- Max. 20fps@5MP
- Built-in mic
- HD and SD output switchable
- 2.7-12mm motorized lens
- Max. IR length 60m, Smart IR
- IP67, DC12V

4MP HDCVI WDR IR Bullet Camera

Overview

Experience superior 4MP video, a complete set of features, and the simplicity of reusing existing coaxial infrastructure with HDCVI. The 4MP HDCVI camera with 120dB true WDR presents a high quality image with rich details and accurate color rendition for applications with complex lighting conditions. It offers various motorized/fixed lens models with a multi-language OSD and HD&SD dual output. Its high resolution and complete set of features makes the 4MP HDCVI camera an ideal choice for mid to large-size businesses and projects where both highly reliable surveillance and construction flexibility are needed.

Features:
- 120dB True WDR, 3DNR
- Max 4MP real-time
- HD and SD dual-output
- 3.6mm fixed lens
- Max. IR length 40m, Smart IR
- IP67, DC12V

4MP HDCVI IR Dome Camera

Overview:

Experience superior clarity of real-time 4Mega-pixel video with the simplicity of using existing cabling infrastructure. The Lite series features compact design and high quality image at friendly price. It offers various vari-focal/fixed lens models with multi-language OSD and HD/SD switchable output. The structure flexibility and best cost-performance makes lite series camera an ideal choice for SMB solutions.

Features:
· 1/2.7" 4 Megapixel Progressive Scan CMOS image sensor
· Max 30fps@4MP
· HD and SD output switchable
· 3.6mm fixed lens
· Max. IR length 30m, Smart IR
· IP67, IK10, DC12V

5MP Starlight HD-CVI IR Fisheye Dome Camera

Overview:

360° Panoramic View Equipped with a fisheye lens for 360° surround view (ceiling/floor mount) or 180° panoramic view (wall mount) and high resolution with no blind spot. The cameras are able to provide coverage of wide, open areas, such as airports, shopping malls, retail stores, offices and more. So you wil get a whole scene just with one fisheye camera.

Features:

· 1/2.8" 5Megapixel progressive scan CMOS
· Panoramic fisheye lens
· Max. 20fps@5MP
· Built-in Mic
· 120db true WDR, Starlight, 2D&3D NR
· Max. IR length 10m, Smart IR
· DC12V

2MP HDCVI IR Bullet with Motorised Lens Camera

Overview

Experience 1080P full HD video and the simplicity of using existing cabling infrastructure with HDCVI. The 1080P starlight HDCVI camera presents a high quality image with rich details even under extreme low-light conditions. Also, the Lite series features compact design and friendly price. It offers various motorized vari-focal/fixed lens models with a multi-language OSD and HD/SD switchable output. Its structural flexibility and high cost-performance makes the camera an ideal choice for SMB solutions.

Features:

- Max 30fps@1080P
- HD and SD output switchable
- 2.7-12mm motorized lens
- Max. IR length 60m, Smart IR
- IP67, DC12V

2MP HDCVI IR Bullet Camera

Overview

Experience 1080P full HD video and the simplicity of using existing cabling infrastructure with HDCVI. The Lite series 1080P HDCVI camera features a compact design and offers a high quality image at a friendly price. It offers various motorized/fixed lens models with a multi-language OSD and HD/SD switchable output. Its structural flexibility and high costperformance makes the camera an ideal choice for SMB solutions.

Features:

- Max 30fps@1080P
- HD and SD output switchable
- 3.6mm fixed lens
- Max. IR length 20m, Smart IR
- IP67, DC12V

2MP HDCVI IR Dome Camera

Overview

Experience 1080P full HD video and the simplicity of using existing cabling infrastructure with HDCVI. The Lite series 1080P HDCVI camera features a compact design and offers a high quality image at a friendly price. It offers various motorized/fixed lens models with a multi-language OSD and HD/SD switchable output. Its structural flexibility and high costperformance makes the camera an ideal choice for SMB solutions.

Features:

- Max 30fps@1080P
- HD and SD output switchable
- 3.6mm fixed lens
- Max. IR length 20m, Smart IR
- IP67, DC12V

2MP Starlight HDCVI IR Eyeball Camera

Overview:

Experience 1080P full HD video and the simplicity of using existing cabling infrastructure with HDCVI. The 1080P starlight HDCVI camera presents a high quality image with rich details even under extreme low-light conditions. Also, the Lite series features compact design and friendly price. It offers various motorized vari-focal/fixed lens models with a multi-language OSD and HD/SD switchable output. Its structural flexibility and high cost-performance makes the camera an ideal choice for SMB solutions.

Features:

· 1/2.8" 2.0 Megapixel CMOS image sensor, Starlight 0.005Lux
· Max. 30fps@1080P
· HD and SD output switchable
· Built-in mic
· 3.6mm fixed lens
· Max. IR length 50m, Smart IR
· IP67, DC12V

2MP HDCVI IR Bullet Camera

Overview:

Experience 1080P full HD video and the simplicity of using existing cabling infrastructure with HDCVI. The Lite series 1080P HDCVI camera features a compact design and offers a high quality image at a friendly price. It offers various motorized/fixed lens models with a multi-language OSD and HD/SD switchable output. Its structural flexibility and high cost performance makes the camera an ideal choice for SMB solutions.

Features:

· 1/2.7" 2.0 Megapixel Progressive CMOS image sensor
· Max 30fps@1080P
· HD and SD output switchable
· 3.6mm fixed lens
· Built-in mic(-A)
· Max. IR length 30m, Smart IR
· IP67, DC12V
